

The CDesign 620 wall hung basin represents simple geometric form with flexible design. It is both contemporary and functional and will suit all bathroom types from residential to commercial projects.

Manufactured from solid surface it has a smooth matt finish that is exceptionally hard wearing, durable and is also available with Softskin options.

The CDesign 620 can be ordered with a left or right hand bowl and can be wall mounted or installed with the corresponding CDesign furniture with wall or hob mounted taps. For ultimate flexibility it can be supplied with or without tap or fixing holes and is supplied with a polished chrome pop up plug and waste and wall basin fixing bolts.

Waste Size:	32mm
Waste Supplied:	Yes

Cleaning

Solid surface:

Spills should be cleaned up promptly. Clean with a mild detergent or soapy water and soft cloth. For more stubborn marks use a diluted very mild abrasive cleaner with a soft cloth in light circular motions over the entire surface. Finish by cleaning off detergents with a soft wet cloth and towel dry. Avoid bleach and highly acidic products on your basin.
