

OMVIVO POP UP SHOWROOM OPENING EVENT IN COLLABORATION WITH ERGOBATH® BRAND LAUNCH

The Omvivo Pop Up Showroom officially launched on Thursday, 30 July. Located on Queensbridge Street, opposite Crown Casino, guests from the design community were invited to explore the Omvivo range while enjoying ambient jazz music, massages and catering by Atlantic Group.

A contemporary, senses inspiring space, the showroom comes complete with facilities for meetings, presentations and functions; giving trade clients and retail consumers an opportunity to view Omvivo's sophisticated range of basins, baths, furniture, accessories and the iconic Washplane®.

The evening also provided an opportunity to unveil Omvivo's latest product offering, Ergobath®.

Designed by Tony Schiavello, Ergobath® is based on ergonomic and hydrotherapy principles, offering the ultimate in wellness spa indulgence. Available in a number of designs and bath only or luxury spa configurations, Ergobath® will be officially launched late 2015.

Guest speaker Daniela Santilli, Bathroom Business Manager at Reece Plumbing, announced the Ergobath® collection will be exclusively distributed through Reece showrooms nationally.

"Easily accessible in the heart of the city, the Pop Up Showroom is a fantastic, tactile platform for both the design community and wider general public to get up close and explore the Omvivo range",

Suzie Dyson, General Manager, Omvivo.
