

## NEO SLIMLINE

### The celebrated NEO Collection from Omvivo expands with new Slimline vanities.

From the initial concept, the intention of Neo was to offer a bathroom range with uncomplicated and effortless style. The needs and desires of today's lifestyle strongly influenced the design of Neo, and the new Neo Slimline adds another dynamic to the offering. The result; A bathroom collection of sophisticated yet reserved form that perfectly represents and functions in the modern environment.

The Australian made Neo Slimline joinery, complements the existing Neo basins and has the flexibility to cater for small through to large family bathrooms. Available in a range of finishes, the superior wall mounted joinery with soft-close drawers is the ideal way to add storage into a bathroom while keeping the look unobtrusive, clean and modern.

With a range of sizes available and a diverse array of configurations to select from, Neo is ideal as a statement piece, or simply a practical yet beautiful choice for the bathroom.

For those who require additional storage, the original Neo cabinet is available with deep soft close drawers, partnered with internal adjustable shelves allowing great flexibility and convenience.

The Neo basins are created from acrylic solid surface and feature perfect proportions and a seamless integrated bowl. The stylish and durable matt finish has a contemporary look and feel, is easy to clean, non porous and even repairable in many circumstances. Neo is the ideal choice for both residential and commercial bathrooms.

"Neo Slimline is an obvious extension to the Neo family which is extremely popular in Australian bathrooms. The philosophy behind Neo has always been sophisticated yet uncomplicated design that meets the practical demands of today's lifestyle.

Neo has the flexibility to suit diverse modern bathrooms, and suits a vast array of styles and spaces, from apartment living to large family homes. The timeless yet contemporary design is perfect for clients who appreciate the chic simplicity that Neo Slimline vanities offer"

Suzie Dyson – Omvivo General Manager
