

The perfect proportions of the Neo 1400 double basin accentuates the simple round bowl and the overall sharpness of the geometric basin giving you a beautiful statement piece.

Manufactured from solid surface it has a smooth matt finish that is durable and easy to maintain, ideal for residential and commercial applications. It is also available with Softskin options.

Neo 1400 double can be wall mounted or installed onto a bench top and is designed to complement the Neo cabinetry. It is supplied with or without tap or fixing holes, a polished chrome pop up plug and waste and wall basin fixing bolts.

In Australia, the Neo range is available exclusively through Reece Bathrooms.

Tap Holes:	0, 2 or 4 Left hand bowl, left hand tap hole Right hand bowl, right hand tap hole
Waste Size:	32mm
Waste Supplied:	Yes
Options:	Solid surface white waste cap

Cleaning

Solid surface: Spills should be cleaned up promptly. Clean with a mild detergent or soapy water and soft cloth. For more stubborn marks use a diluted very mild non coloured abrasive cleaner with a soft cloth in light circular motions over the entire surface. Finish by cleaning off detergents with a soft wet cloth and towel dry. Avoid using bleach, highly acidic products and coloured abrasive cleaners on your basin.

Softskin: Softskin is a layered finish that is applied to solid surface products. Clean with warm soapy water, or a non-abrasive, non-acidic liquid cleaner and a soft cloth. Finish by cleaning off detergents with a soft wet cloth and towel dry. Do not use harsh materials such as scourers, abrasive detergents or solvents, as the surface may scratch or graze.
