

The Lilli 400 basin with its smooth curves is a sophisticated piece for a modern bathroom design and is particularly suited to small powder rooms.

Manufactured in solid surface it has a smooth matt finish that is durable and easy to maintain, ideal for residential and commercial applications. It is also available with Softskin options.

Lilli 400 can be wall mounted as well as installed onto a bench top. It can be ordered with or without a tap hole and is supplied with a polished chrome pop up plug and waste and wall basin fixing bolts.

Finish:	Matt
Overflow:	No
Tap Holes:	0 or 1
Waste Size:	32mm
Waste Supplied:	Yes

Cleaning

Solid surface:

Spills should be cleaned up promptly. Clean with a mild detergent or soapy water and soft cloth. For more stubborn marks use a diluted very mild abrasive cleaner with a soft cloth in light circular motions over the entire surface. Finish by cleaning off detergents with a soft wet cloth and towel dry. Avoid bleach and highly acidic products on your basin.
