Finishes & Materials

Solid surface

Omvivo's solid surface finishes have a wonderful smooth matt surface that is hard wearing, durable and easy to maintain, ideal for residential and commercial applications. Omvivo solid surface is non porous making it extremely stain resistant, scratches and marks can be cleaned or buffed out and in some cases it's even repairable when damaged.

Caesarstone®

Caesarstone®, a world leader in composite stone material created from high levels of quartz (approx 93% Quartz aggregates) and resin offers an attractive natural stone look, relatively consistent finish and is extremely durable without requiring ongoing sealing like natural stone.

Furniture

Omvivo source quality finishes, that are not only durable but ecologically advanced for their furniture designs. Omvivo's laminates are selected for their quality, texture and beautiful warm timber tones. Omvivo's Thermofoil finish (superior quality vinyl) is a durable material that's very simple to clean and maintain, has an elegant satin or gloss finish and combines contemporary clean edges with strong sharp lines.

Softskin

Softskin is a finish that provides a unique two tone effect available in two colours. With its soft tactile surface, Softskin is a contemporary and playful way of introducing colour and contrast into your bathroom.

Venice

Basins

The Venice collection offers two sculptural basins in solid surface and Softskin options. The first is a compact round 450mm basin and the second an elegant elongated 700mm oval design. Both are supplied with polished chrome pop up plug and wastes.

Furniture

Designed and made in Australia, the Venice cabinets, floating benches and mirrors include innovative features and hardware for sturdy and simple installation. The cabinets feature push to open drawers with divider insert and compact pvc p trap for plumbing.

Urban

The striking wall mounted Urban vanity with unique slimline solid surface basin has an exclusive, contemporary feel. Urban offers soft close drawers available in three contemporary finishes, each with adjustable internal dividers. Available in 700, 900 and 1200 with a distinct offset left hand bowl, as well as a large double 1400 vanity, Urban will suit a wide variety of environments and has configurations to suit small bathrooms through to generous ensuites. Urban has the flexibility of having 1 or 3 tap holes and can also be ordered without a tap hole. Urban is supplied with a polished chrome pop-up plug and waste and compact pvc p trap for plumbing.

Neo

Basins

The selection of clean modern Neo basins offers flexible dimension options and configurations to suit small powder rooms through to large family bathrooms. Neo basins can be wall mounted or partnered with cabinetry. The Neo mini, 700 and 1000 offset basins can be ordered with left or right hand bowl and each Neo basin has an overflow. Created in solid surface and available with Softskin options, the Neo basins can be ordered with or without a tap hole and are supplied with a polished chrome pop up plug and waste and wall basin fixing bolts.

Furniture

Neo cabinets are available in a range of sizes to suit the Neo basins. Sleek drawers with soft close mechanisms are partnered with an internal adjustable shelf offering ample storage with a clean and uncomplicated appearance.

Essentials

Washplane

The Omvivo Washplane® is one of the most luxurious bathroom fittings available and is designed to simplify, yet enhance the bathroom experience.

The Washplane® is supplied with hardware and drainage system which is installed into a cavity wall. A 150mm wall outlet for a single 800mm Washplane® and a 200mm wall outlet for all others are recommended. Outlets that have a cascade style aerator, a 5-7 litres per minute capacity and water falling at a 90 degree angle directly onto the Washplane® top should be used. Each Washplane® is designed and manufactured in Australia to superior standards.

Geo Washplane®

The generous structure and sharp lines of the Geo Washplane® offers strong uncomplicated design.
