

Neo

The Neo Collection from Omvivo has a new addition, once again combining function with contemporary uncomplicated design.

Due to the success of the Neo Collection, it became apparent that the market place was in need of a basin that offered additional functionality with a deeper bowl and could work in with the needs and desires of today's lifestyle, in particular apartment style living. The result is the Neo 700 12 Litre basin.

When designing the Neo Collection, the intention was to create a bathroom range with uncomplicated and effortless style. The Neo Collection offers sophisticated yet reserved form that perfectly represents the modern environment.

Like the rest of the five basins within the range, the Neo 700 12 Litre is ideal as a statement piece, or simply an attractive and practical choice for the bathroom. Specifically designed for modern living, the 12 Litre basin is perfectly suited for apartments, homes with limited space or combined bathrooms and laundries, the generously deep bowl can be used as a laundry trough or a more functional basin for the family.

While the basin can be wall mounted on its own, the superior and practical corresponding furniture completes the range for those who require storage. Available in a range of finishes, the deep soft-close drawers are partnered with internal adjustable shelves allowing great flexibility and convenience.

The Neo 700 12 Litre basin is created from pure acrylic solid surface, a stylish and durable finish that allows the clean sharp modern form highly sort after in contemporary environments. The perfect proportions accentuate the simple round bowl and the overall sharpness of the geometric basin. The velvety matt surface is non porous, repairable and very easy to clean, making Neo the ideal choice for both residential and commercial bathrooms.

Neo 700 12 Litre was officially launched in November 2017. In Australia Neo is available exclusively through Reece Bathrooms Showrooms, and internationally through Omvivo's distribution partners. Please contact Omvivo for further details.
