

The Neo 1000 cabinet is an exclusive, uncomplicated design to be partnered specifically with the Neo 1000 offset and centred basins. The clean and functional Neo 1000 cabinet will suit a wide variety of environments from traditional to modern spaces.

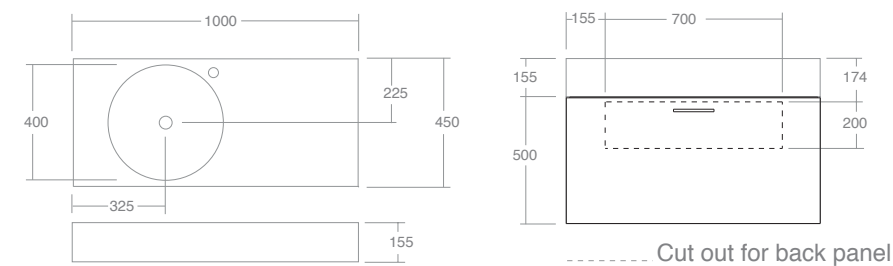

The Neo 1000 cabinet is designed to be wall mounted and features sleek drawers with soft close mechanisms and an internal adjustable shelf offering ample storage. It is available in four finishes and has brushed nickel, polished chrome, matt black and satin brass handles to choose from.

In Australia, the Neo range is available exclusively through Reece Bathrooms.

**Neo 1000 centred basin**

**Neo 1000 offset basin**

**Dimensions**

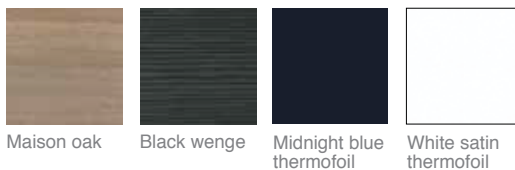

Width: 1000mm  
 Depth: 450mm  
 Height: 500mm

**Cleaning**

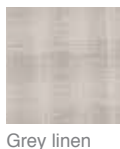

**Laminate and Thermofoil:**  
 Never allow water or liquids to sit on your cabinetry. Always clean spill and water immediately. Clean with a mild, non-acidic, non-abrasive cleaner and soft cloth. Finish by cleaning off detergents with a soft cloth and towel dry. Never use bleach, highly acidic products and coloured abrasive cleaners on your vanity.
