

Neo Slimline 1400 Double Cabinet

The Neo Slimline 1400 double cabinet compliments the existing Neo 1400 double basin and offers sophisticated yet uncomplicated design meeting the practical demands of today's lifestyle. With its chic simplicity, the Neo Slimline 1400 double cabinet is the ideal way to add storage into a bathroom while keeping the look unobtrusive, clean and modern.

The Neo Slimline 1400 cabinet is designed to be wall mounted and features soft close drawers. It is available in four high quality finishes and has brushed nickel, polished chrome, matt black and satin brass handles to choose from

In Australia, the Neo Slimline range is available exclusively through Reece Bathrooms.

Handle positions: Left, right or centre of each drawer

Cleaning

Laminate and Thermofoil:

Never allow water or liquids to sit on your cabinetry. Always clean spill and water immediately. Clean with a mild, non-acidic, non-abrasive cleaner and soft cloth. Finish by cleaning off detergents with a soft cloth and towel dry. Never use bleach, highly acidic products and coloured abrasive cleaners on your vanity.
