

The Neo Slimline 700 cabinet compliments the existing Neo 700 basins and has the flexibility to cater for small through to large family bathrooms. With sophisticated yet uncomplicated design, Neo Slimline is the ideal way to add storage into a bathroom while keeping the look unobtrusive, clean and modern.

The Neo Slimline 700 cabinet is designed to be wall mounted and features a soft close drawer. It is available in four high quality finishes and has brushed nickel, polished chrome, matt black and satin brass handles to choose from.

In Australia, the Neo Slimline range is available exclusively through Reece Bathrooms.

## Cleaning

Laminate and Thermofoil:

Never allow water or liquids to sit on your cabinetry. Always clean spill and water immediately. Clean with a mild, non-acidic, non-abrasive cleaner and soft cloth. Finish by cleaning off detergents with a soft cloth and towel dry. Never use bleach, highly acidic products and coloured abrasive cleaners on your vanity.
