

SUB UNDERMOUNT BASINS

The Sub undermount basin collection comprises of timeless designs, which can be adapted to a range of bathroom settings. From the sharp lines of the rectangle basin to the smooth edges of the soft square, the Sub basins will enhance any daily bathroom routine to a luxurious feeling. The design can be further refined by pairing the basin with a solid surface top for a seamless design.

Manufactured from solid surface it has a smooth matt finish that is exceptionally hard wearing and durable.

Each Sub basin is supplied with pop-up waste and white solid surface plug.
